PRESS RELEASE

LidWorks® Announces New Translucent Flat Straw Slot Lids for Foam Cups

Plant City, FL – LidWorks is pleased to announce its new Translucent Flat Straw Slot Lids for Foam Cups.

LidWorks' Translucent Flat Straw Slot Lids feature an elegant design which enhances product appeal and increases customer satisfaction. Also, their raised straw slot makes it easier for a consumer to very quickly and efficiently insert a straw into the straw slot. And, these lids are equipped with today's most popular flavor buttons... "Cola", "Diet", "Root Beer", "Tea" and "Other"... are available in the three most common sizes... 12 Squat - 22, 32, and 44 oz., and fit traditional size Foam Cups.

"Our new Translucent Flat Straw Slot Lids meets today's operators' ever increasing operational needs," stated Todd S. Mauer, Vice President of Sales & Marketing.

LidWorks is the global foodservice industry's premier lid manufacturer that delivers growth through innovation.
