PRESS RELEASE

LidWorks® Announces New Translucent Flat Straw Lids for Double-Sided Poly Paper Cups

Plant City, FL – LidWorks is pleased to announce its new Translucent Flat Straw Slot Lids for Double-Sided Poly Paper Cups.

LidWorks' Translucent Flat Straw Slot Lids feature an elegant design which enhances product appeal and increases customer satisfaction. Also, their raised straw slot makes it easier for a consumer to very quickly and efficiently insert a straw into the straw slot. And, these lids are equipped with today's most popular flavor buttons... "Cola", "Diet", "Root Beer", "Tea" and "Other"... are available in the three most common sizes... 12 Squat - 22, 32, and 44 oz., and fit traditional size Double-Sided Poly Paper Cups.

LidWorks is the global foodservice industry's premier lid manufacturer that delivers growth through innovation.
